

Real Queens Fix Each Other's Crowns

Volunteer Title: Website Developer

Organization: Real Queens Fix Each Others' Crowns

Real Queens Fix Each Other's Crowns develops programs to inspire women to reclaim their crowns and communities. We center our outreach around creating safe spaces for women and young girls to discuss their mental health openly. In addition, Real Queens aims to close the gender inequality gap. We believe that providing access to community healing, cultivating brave spaces, and providing public education will help young girls and women live life to the fullest as well as create sustainability within communities.

We are looking for a Website Developer for the [Real Queens Fix Each Other's Crowns](#). This **volunteer** role is responsible for maintaining and updating the organization's website. The Website Developer works closely with the nonprofit's leadership and marketing team to align the website's information with the organization's current and upcoming events, and information.

Our ideal candidate will have:

- Proven experience as a Web Developer or similar role.
- Experience with Wix's user interface.
- Experience with responsive and adaptive design.
- Familiarity with graphic design principles and tools (e.g., Adobe Photoshop, Canva).
- Strong problem-solving skills and attention to detail.
- Ability to work independently and as part of a team.
- Excellent communication and collaboration skills.
- Knowledge of SEO principles is a plus.
- Portfolio of past projects demonstrating proficiency in web development.

Key responsibilities include:

- Ensure the website is up to date (e.g., Past/Upcoming Events, Volunteer Opportunities, Team Page, etc)
- Ensure the website is visually appealing and features a user-friendly design with clear navigation.
- Ensures the website is consistent with our branding.
- Collaborate with team members to understand the organization's requirements and translate them into technical solutions.

- Ensure the website is optimized for desktop, tablet, and mobile devices.
- Perform website testing and debugging.
- Update website design to include community impact metrics, community target map, and any other graphic elements that need to be added to the website.

Expected time commitment: Up to 10 hours/month (as needed). This includes checking your RQFEOC email at least three times a week to ensure that potential volunteers or donors are not waiting for communication. Please be honest about your time commitments, while we realize it is difficult to forecast what you may be doing four or five months out, we ask potential leadership team members to try their best to be upfront with any conflicts, either work or personal. Thank you for your understanding!
